We Handle
Dental Creams
and
Tooth Brushes
that Encourage
Healthful
Habits

Don't Neglect Your Teeth a Day

Every person—young and old—should acquire the habit of brushing the teeth daily. Parents can do their children a lifetime favor by encouraging the proper use of the tooth brush until it becomes a regular habit. The best and easiest way to acquire this habit—for both parent and child—is to use a *fasty* dentifrice. We can furnish you with any of the best dental creams, powders or liquids. Also tooth brushes in all styles and prices.

Stop Lively! Corns Quit with "Gels-It"

The Great Corn-Remover of the Age. Never Fails. Painless.

Watch my step! What's the use? I go along "right side up" without care, even with corns, because I use "Gels-It," the painless, off-like-a-banana-peel corn remover. I tried other ways before, until I was blue

Corns simply can't stop us. We use "Gels-It" to the face and feet in the toes. No more for me. Use "Gels-It." It never fails. Touch any corn or callus with two drops of "Gels-It," and "Gels-It" does the rest. It's a relief to be able to stop cutting corns, making them bleed, wrapping them up like packages and using sticky tape and salves. It removes any corn clear and clean, leaving the foot as smooth as your palm. You can wear those new shoes without pain, dance and be frisky on your feet. It's great to use "Gels-It." "Gels-It," the guaranteed money-back corn-remover, the only sure way, costs but a trifle at any drug store. Mr. R. B. Lawrence & Co., Chicago, Ill.

Sold in Hopkinsville and recommended as the world's best corn remedy by L. L. Elgin.

BOONEVILLE BOY KILLED.

Jefferson O. Myers, of Booneville, Ind., American aviator on the Western front, was killed in an airplane accident June 1.

At the meeting of the wheat growers and threshmen's association held at the courthouse on Saturday it was agreed that the farmers should pay the price of 10 cents per bushel for threshing their wheat this season.

YOUR PATRIOTISM

TOLD IN DOLLARS

The size of Your Bond Purchase, means Considered, Tells the Tale. What is it worth to you?

Does American Liberty mean anything in your scheme of life? If it does, just try to put a money value on it.

But, you say—and you say rightly—its value can not be measured in dollars and cents. It goes beyond money. It lays upon all the higher and bigger things in life. It represents things that no amount of money can buy. It is—

But hold on a minute. We know all that, and still we ask you to put a money value on American Liberty. How much does it mean to you?

What would it mean, to put it otherwise, if there were danger of its being driven from you—and if MONEY, a big sum of money, were the only thing that could prevent. How much would you give for Liberty, the real American brand of it, under those circumstances?

There is a reason for asking these questions—absurd as they may seem. And that reason lies in the conditions confronting us all today.

It is humanly possible, since all things are possible, that the hordes of the Hun may overrun Europe and the whole civilized world. If they do, the American type of Liberty will come near to vanishing from the earth. You will enjoy a much diluted and sadly modified form of it, at best.

If we are wise, we will acknowledge the danger and do our utmost to avert it. That can best be done by those of us who can not go to the front by joining the United States Government

all of our money that we can. It takes money—unthinkable sums of money—more money than the world has ever had called for for any purpose hitherto—to carry on the Big Business of Defense that is to make the world safe for Democracy and perpetuate the American ideal of Liberty not only in America but throughout the world.

So get "down to brass tacks," and count up the value of American Liberty in MONEY. Then buy your part of the Third Liberty Loan and buy it gladly.

You might even help some other fellow buy part of his. It's worth the price.

SIoux CITY WINS HONORS

Iowa City Claims She Was First to Oversubscribe Liberty Loan Quota.

Sioux City, Iowa, has not only won the honor flag for the first large city completing its Liberty Bond quota, but has hung up a record that is unprecedented.

The Iowa city, in one hour, pledged \$2,524,400 worth of bonds, \$128,400 more than its quota called for. The pledges were made by 4,051 subscribers. On the basis of the 1910 census this showing would mean sales at a per capita basis of \$53.36 for every person in the city. The sales were made by a force of 600 solicitors. The city is now out for an extra star for its flag.

SONG BIRD BUYS BONDS

Mme. Schumann-Heink Buys \$20,000 Liberty Bonds and Offers Services.

Madame Schumann-Heink, famous opera singer, who, because of her untiring work in behalf of the soldiers in the cantonments, has become affectionately known as "mother" to them, has just enlisted as a Liberty Loan campaigner.

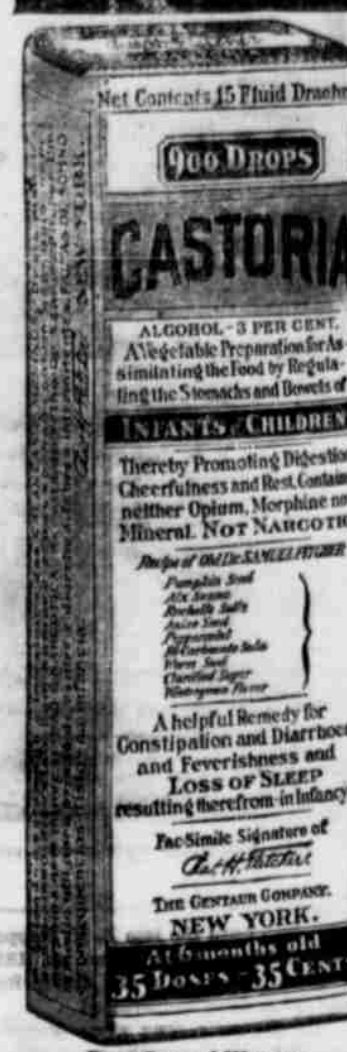

"I surely am at your service for our country and government," she wired the National Speakers' Bureau. "Just command me. On April 8 I bought for myself again Liberty Bonds to the amount of \$20,000. I am heart and soul for the United States and for the army and navy boys forever."

Pullman agents have been instructed not to make telephone reservations of berths, because many applicants neglected to claim their seats, and this resulted in empty berths for which other travelers had applied in vain. The practice was initiated by the Pullman Company and approved by the Railroad Administration.

Big Sunflowers.

Giant sunflowers that grew in a garden at Llanduff, Wales, were raised from a seed brought from Australia, and one reached the extraordinary height of 12 feet. It held only one bloom, which was 16 inches in diameter. The giant entirely dwarfed its English cousins close by.

State of Ohio, City of Toledo, Lucas County, ss.

Better Banking Service for Farmers

The Federal Reserve Banking System, with combined resources of a thousand million dollars, has been established by Act of Congress to stand back of the farming and business interest of the country.

We are members of this system which enables us, better than ever before, to supply our farmers with the credit and currency they need for producing crops and to protect them against disorganized markets.

If you are not linked up with this system as one of our depositors come in and let us tell you how it helps you.
